REASONS FOR ALLOWANCE

Remark

- This Office Action is in response to applicant's amendment filed on October 5, 2005, which has been entered into the file.
- By this amendment, the applicant has amended the specification to overcome the new matters rejections to the claims set forth in the previous Office Action and the applicant has also canceled claim 4.
- Claims 1, 17, 19, and 22 remain pending in this application.

Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance: of the prior art references considered, none has disclosed an *imaging optical system* that is comprised of an *iris stop* and a *layered diffraction optical member* provided in front of the iris stop, wherein the layered diffraction optical member includes a *first diffraction part of negative power* and a *second diffraction part of positive power*, wherein the first and second diffraction part each comprises a diffraction grating wherein the *dispersion characteristics for the material for making the first grating and the dispersion characteristics of the material for making the second gratings are different from each other* and the *layered diffraction optical member* further comprises a *positive meniscus lens* and a *positive biconvex lens* with first diffraction part being *disposed* on the positive meniscus lens and the second diffraction part being *disposed* on the positive biconvex lens, as explicitly set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
